

 **TOYOTA** 4Runner 97

Go 4x4 it.

4Runner 97

4Runner is a reflection of the superior quality and value found in all Toyota products, as well as the ongoing Toyota philosophy of total customer satisfaction... and it has the quality Awards to prove it – from customers and experts alike:

A major part of our annual Research & Development budget is directed into design and engineering safety features. For example, we control-crash over 600 vehicles annually; run every engine to assure its reliability; conduct simulated and actual high speed track tests of braking to stress components.

We are absolutely committed to the principle of constant improvement... and we strive not simply to meet your expectations but to exceed them.

Our objective: how to make your driving experience better, easier, more convenient, more fun. Read through this brochure; ask someone who owns a 4Runner; better still, take one for a test drive. And discover for yourself what Toyota quality really means.

CAA® PYRAMID AWARD

VOTED BEST FOR OWNER SATISFACTION, RELIABILITY AND LOW REPAIR FREQUENCY AND COST, TOYOTAS HAVE EARNED THIS AWARD 9 TIMES IN THE LAST 14 YEARS. THAT'S MORE OFTEN THAN ANY OTHER MANUFACTURER - REGARDLESS OF PRICE CLASS. 4RUNNER '97 IS DESIGNED TO CONTINUE THE TRADITION.

CAA'S

"AUTOPINION '96 ANNUAL"

INCLUDES TOYOTA AMONG THE LEAST EXPENSIVE VEHICLES TO REPAIR AND MAINTAIN OVER A FIVE YEAR PERIOD, THROUGH MODEL YEARS 1991, 92, 93, 94, AND 95. 4RUNNER '97 IS THE EVOLUTION OF THAT OUTSTANDING RECORD.

® Registered Trade Mark of the Canadian Automobile Association
1996 Model Year figures not available at printing. Information derived from the 1995 CAA Vehicle Durability Survey.

WE ARE ABSOLUTELY COMMITTED TO THE PRINCIPLE OF CONSTANT IMPROVEMENT AND WE STRIVE NOT SIMPLY TO MEET YOUR EXPECTATIONS BUT TO EXCEED THEM.

THE 1997 4RUNNER LIMITED,
 SHOWN IN DESERT DUNE METALLIC,
 COMBINES THE HIGHEST LEVELS OF LUXURY
 WITH AN IMPRESSIVE POWERPLANT,
 EXCEPTIONAL CARGO CAPACITY, AND
 ATTENTION TO OCCUPANT SAFETY.
 COLOUR-COORDINATED RUNNING BOARDS,
 FENDER FLARES AND BODY CLADDING
 ADD A DISTINCTIVE TOUCH.

4Runner Limited

The 1997 4Runner Limited, an exceptional all-weather luxury vehicle for the entire family. The sophisticated styling includes colour-coordinated fender flares and running boards, roof rack, and 16" alloy wheels. 4Runner Limited is a delight to drive, with impressive interior comforts and ample cargo space with go-anywhere rugged construction and exceptional performance levels. 4Runner Limited's powerful 3.4 Litre 24-valve V6 with sequential multi-point EFI delivers 183 hp. and 217 lb. ft. of torque, providing the ideal mix of power with economy.

For all-season security, 3-channel 4-wheel A.B.S.* (Antilock Braking System) is standard. Rack & pinion power steering greatly enhances steering feeling and response. Ride comfort on or off-road is assured by the independent double-wishbone coil spring front suspension, gas shocks and front/rear stabilizer bars.

The 4Runner Limited's one-touch 4WD & rear differential lock aids traction and adds peace of mind.

*Operates in 2WD or 4WD mode

Comfort and Luxury

Supple leather seat surfaces immediately position 4Runner Limited as an exceptional luxury vehicle. The driver and front passenger are pampered with standard leather trimmed sport seats with a full range of power and manual adjustments. Rear seat passengers relax in leather with stretch-out legroom, standard rear cupholders, auxiliary rear heater and door mounted speakers. 4Runner Limited comes with a full range of standard features including: 4-speed overdrive (ECT) automatic transmission, driver and front passenger airbag Supplemental Restraint System (SRS), "Power Group" of power windows, door locks, antenna and mirrors, cruise control, "One Touch" 4WD, leather wrapped steering wheel, air conditioning, and privacy glass. 4Runner's gauges have been arranged for optimum

visibility, a door ajar warning lamp is included for safety and the cruise control is activated by a column-mounted lever for better accessibility. The cluster above the centre console houses frequently used controls such as air conditioning, audio etc. Limited's premium 3-in-1 audio system delivers rich audiophile quality sound in AM/FM, Cassette or CD format. Six

strategically placed speakers let you appreciate the symphony or the subtleties of an acoustic guitar.

4Runner SR5 V6

From its sporty styling to its easy-to-load lift-up hatch, 4Runner SR5 V6 is sophisticated and practical.

The 3.4 Litre, 24-valve V6 engine with sequential multi-point EFI produces an impressive 183 hp. @ 4800 rpm with peak torque (217 lb. ft. @ 3600 rpm) in the vital low and mid-range rpm. Rack & pinion power steering improves steering feeling and response. The 5-speed overdrive manual transmission and optional 4-speed overdrive (ECT) automatic transmission blend high performance with low fuel consumption.

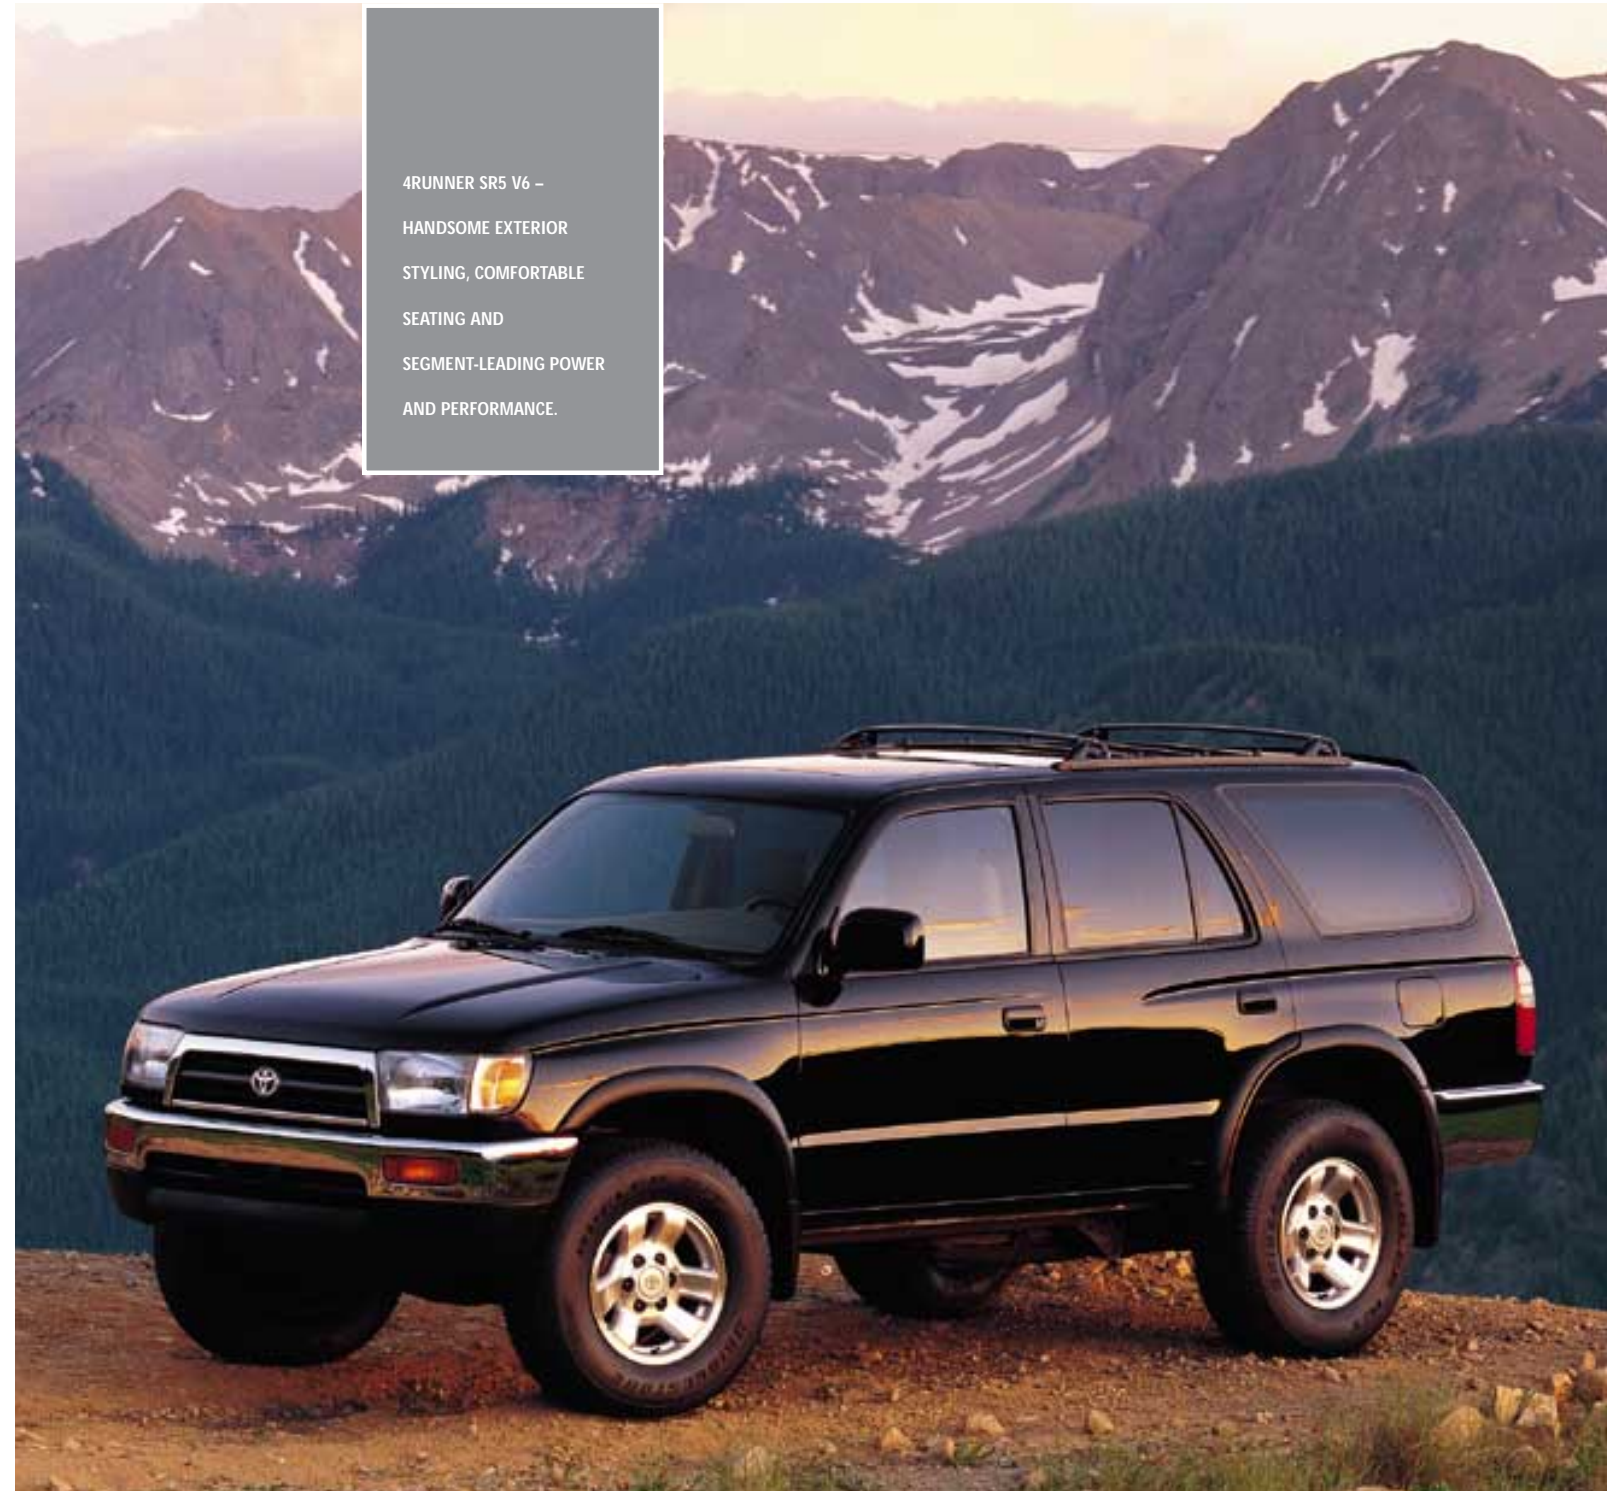

4Runner SR5 V6's long list of standard equipment includes on demand 4WD, 4-wheel A.B.S (Antilock Braking System), a driver and front passenger airbag Supplemental Restraint System (SRS), 4-speaker AM/FM cassette, power mirrors and door locks, cruise control, and much more. Interior dimensions have been optimized for maximum comfort. Ample front seat fore/aft adjustment and generous legroom all contribute

to the feeling of spaciousness. 4Runner's 4-way adjustable front buckets and 50/50 split rear bench seat five or provide a variety of cargo/passenger configurations.

Optional equipment shown

THE CONSOLE BOX IS LARGER FOR CONVENIENT STORAGE OF CASSETTES/CDS. THE SPORTY CONSOLE MOUNTED PARKING BRAKE IS POSITIONED FOR MORE CONVENIENT ACCESS.

9

4Runner SR5

4Runner SR5's 2.7 Litre DOHC 16-valve 4-cylinder with sequential multi-point EFI delivers 150 hp. @ 4800 rpm. Two counter-rotating balance shafts help minimize internal vibrations so it runs incredibly smooth. A 5-speed overdrive manual transmission or optional 4-speed overdrive (ECT) automatic combine for maximum performance and fuel economy. Steering feeling and response couldn't be better with power rack & pinion steering.

4Runner SR5's double-wishbone coil spring front suspension, refined 4-link rear suspension and 105.3" wheel-base enhance ride comfort and stability on or off road. SR5 standard safety features include a driver and front passenger airbag Supplemental Restraint System (SRS), On Demand 4WD System, anchor points for child restraint seats, child protector rear door locks and adjustable 'B' pillar shoulder belt anchors.

AIRBAG NOTICE: The 1997 Toyota 4Runner features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. Seat belts must be worn at all times by all occupants.

TOYOTA CANADA INC. Specifications and equipment are based on information available at time of printing and are subject to change without notice. In some cases, features, although shown as, or stated to be standard equipment, may nonetheless be optional or not available. New Vehicle Warranty Summary

NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM

This warranty covers repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN & MAJOR COMPONENTS – 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain and specific major components on the vehicle that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

Toyota's concern for the environment recognizes its duty to undertake actions to safeguard it. To support this concern, this brochure is printed on recycled paper.

PRINTED IN CANADA C0002-0277E-50
